Mungaroi Department Bangalore.

Sir,

With reference to your docket no. 2187 dated 24th October 1906 forwarding for report petition from Gowd Siddappa and other Kurubars of Rudrankatte village in the Davangere Taluk Complaining that some people of Golar caste have carried away contrary to manool the Maremma Devate of their village and praying that the idol may be ordered to be restored, I have the honor to submit herewith the entire vernacular correspondence connected with the case and to report as follows:-

2. The dispute is between two parties viz. the Kumbars of Burrackatta on the one and the Gollars of the same on the other, having a hundred The former complain that the latter upon had been long in the habit of having in their possession that the Gollars had wanted to take the idol to their village a few days to offer their worship which allowed to do so but that they have not done so the same, that on the contrary they have deviate from the original agreement and that the idol should be returned to the Kumbars to their village.

3. The Gollars on the other hand say that they have in their possession to offer their worship the idol have taken to Burrackatta that they had to obtain the permission of the Kumbars to do so, the Kumbars refused to give their consent to the

Omot

strict religious observances, which brought them to this miserable plight, that consequently they took back their idol to their hatti for their own good, and that they therefore see no reason to return it to the Kurumbars.

4. The institution to which the idol belongs is not then endowed with cash grants nor with inam land, and is therefore not under the management of the Mungani Department. Still with a view to put an end to the factious spirit in the village and bring about reconciliation between the Gollars and Kurumbars, the Amildar of Davangere was directed to make an amicable settlement of the matter and submit a report. He however failed in his attempt as the Gollars are not willing to allow the Kurumbars to take the idol to their village though the latter are agreeable

to the Gollaro performing the daily worship.

5. As the riot within is not under the Government management and as the parties could not be induced to come to an amicable settlement, the then Deputy Commissioner Mr. A Ramanayaka Iyengar declined to interfere in the matter. Hence this appeal.

I have the honor to be

Sir,

Your most obedient Servant
